# Tom MAUGER-BIROCHEAU

**Objective : Request for a 3-month internship starting June 2022**
**I possess varied skills I can offer to this internship like rigor, dynamic …**

## PERSONAL DETAILS

75 Rue EVARISTE GALOIS
06410 BIOT FRANCE

+33 (0)6 19 60 32 79

tom.mauger-birocheau@etu.univ-cotedazur.fr

 LinkedIn    GitHub

## ASSETS

| Rigorous | Persevering |
|----------|-------------|
| Punctual | Organized |
| Dynamic | Autonomous |
| Curious | Sociable |

## INFORMATICS SKILLS

Python ★★★★
Linux ★★★
R ★★★

## LANGUAGE SKILLS

English
Working knowledge

Deutsch
Basic

## MISCELLANEAOUS

-Interested in Science, Biology, Physics, Economy
-Sports (Hiking, Tennis)
-Travel has included Italy, US (Roma, New York) to discover other cultures
-Swimming (8 years) selected for 4 French championships

## EDUCATION

**2020-… Polytech graduate school**
Major Biology
Minor in bioinformatics

**2017-2020 : three-year intensive program in biotechnologies to prepare for competitive exams for admission to French Grandes Ecoles equivalent to graduate schools**
Skills developed: Persistence, Diligence

**2017 Baccalauréat, equivalent to A-levels Majored in biotechnologies, with honors**
Considerable experience in scientific laboratory work

## WORK EXPERIENCE

### Internship:

**2021 I3S** in Biot(06)
SPARS crew, CNRS the French equivalent of National Center for Scientifics Research
Design a repressilator model usable in mammal cells
Skills developed: independence, reliability

### Seasonal work:

**Jouffray-Drillaud** in Vienne en val(45)
Every years since 2014
Temporary work as an agricultural worker
Test samples to develop new seeds
Skills developed: motivation, leadership
